

Create a Your Own Report

Build a customised Annual Report with the information most relevant to you. Select the sections you need, preview the content and combine them into a single report for easy reference.

Step 1: Select Your Sections

- Browse the available Annual Report sections
- Choose the sections relevant to you
- Select one or more sections to build your report

Step 2: Preview the Content

- Click on any section to preview the PDF
- Zoom or rotate for easier viewing
- Print directly from the viewer if needed

Step 3: Customise & Download

- Review your selected sections
- Combine them into one customised PDF
- Download your report for easy reference
